

for instance. Their perfection level has increased even since most of you heard then two years ago. They would love to do a high quality performance in your area. *Please give us some contact persons, and we will see what develops, for next year or the year after.

Our family web site is listed below. There are quite a lot of new pictures on it. We update it every month or two, so keep looking at this electronic scrapbook. It is our way of sharing our lives with you. Would love to know if you have one.

Again, we wish you the very best of Holiday seasons, and a good New Year 2003. We really hope to hear from each of you.

Love,

Roger & Theresa
